

My Date With A Vampire 2 — Episode 7
Negative Air

Kau Suk: Tin Yau! I told you not to go near. Why did the negative air increase so rapidly?

Siu Ling: Kau Suk, how did this happen?

Kau Suk: Tin Yau, what did you do just now?

Tin Yau: Nothing. I only told Mong Mong to hang on. (He prevents Kau Suk from questioning him and turns to Siu Ling.) Oh yes, the police searched the murder scene but found nothing. Do you want to take a look at Mong Mong's body?

Siu Ling: OK (Tin Yau leaves)
